PROFESSIONAL SUMMARY

Risk and compliance execution professional with 6+ years driving audit remediation, AML control execution, and statutory regulatory obligations at State Street. Accountable for closing regulator-driven findings under active audit scrutiny, sustaining enterprise controls across 1,700+ applications and 9 jurisdictions, and converting remediation into repeatable BAU governance. Trusted by VP/MD stakeholders for delivery under fixed deadlines and heightened regulatory scrutiny. **IIM Indore MBA | PMP | Six Sigma Green Belt**

PROFESSIONAL EXPERIENCE

State Street | Bengaluru — May 2022 – Present

Manager – Business Risk Management (BRM)

- **UK AML Trust Registration:** Delivered 100% on-time statutory registration of ~500 trusts across 9 jurisdictions after scope expanded 7x; coordinated 10+ legal entities with RAID tracking for 100+ risks, avoiding penalties exceeding £2.5M annually.
- **AML Data-Feed Screening:** Owned annual screening assurance across 1,700+ applications under audit scrutiny; redesigned intake via SharePoint/Power Apps, cut cycle time from ~21 to 13–14 months, reduced rework 30–35%, eliminated repeat audit findings.
- **Access Governance Remediation:** Closed audit-driven LAN access gap by validating 800+ folder ownerships through VP/MD attestations; automated BAU process, reducing coordination effort 80–90% and sustaining audit-ready evidence year-over-year.
- **Enterprise Demand Governance:** Implemented mandatory central intake across 50+ risk units; reduced ad-hoc demand 40–50%, improved on-time completion 25–30%, and reduced escalation noise in senior risk forums.
- **Cross-Region Engagement:** Delivered 12+ MD-sponsored forums globally, reaching ~200 staff with ~80% participation.

State Street | Bengaluru — Nov 2021 – Apr 2022

Assistant Manager – PMO, Global Markets

- **Data Disclosure Prevention:** Remediated email control across 33 global teams following confirmed client data incidents; increased auto-approval from 61% to 82%, cut manual reviews 30–35%, prevented ~3 repeat disclosures/month.

State Street | Bengaluru — May 2021 – Oct 2021

Assistant Manager – RFP Sales Support

- **Client Submission Controls:** Identified repeated senior sign-off on static RFP/DDQ content as a delivery risk; partnered with Compliance/Legal to implement differentiated approval rules, reducing SME dependency ~30% and shortening cycle times 10–15%.

State Street | Bengaluru — Nov 2020 – Apr 2021

Assistant Manager – Metrics Centre of Excellence

- **Operational Risk Reporting:** Owned BAU metrics reporting for MD-level forums across 10–12 teams; built Power BI dashboard tracking 15+ KPIs, reducing manual effort 30–40% and enabling earlier issue identification.

Technofab Engineering Services | Navsari — May 2017 – Apr 2018

Mechanical Engineer

- Standardized engineering processes in reactor fabrication; reduced design time from ~3 hours to 1.25 hours/job, cut idle time 2–3 hours/vessel, freed ~100 engineering hours annually.
